

REDUCE, REUSE, RECYCLE

What is recycling?

"It is the act of reusing objects and converting waste materials into new resources"

Why should I recycle?

- ♻️ Recycling Saves Money
- ♻️ Helps With Climate Change
- ♻️ Preserves Wildlife and Nature
- ♻️ Reduces the Number of Landfills
- ♻️ Economic Returns
- ♻️ Recycling Saves Energy

Did you know that you can recycle in Wawa and Sault Ste. Marie?
